Subject: Re: Request for Continuance of the Hollywood Center Project - October 15, 2020 CPC Meeting

Ms. Nguyen,

I am uncertain what exactly it is that this extension request pertains to, but I do know that all discussion regarding this project should be ceased, period. No more time should be wasted in any sort of consideration for this monstrous, ruinous, unnecessary, ugly, embarrassing, traffic-loving, resources-draining pig of a project. It would promise to remain only partially leased were it built as we do not need more unaffordable luxury apartments and unused, empty office space. The city would be allowing the greedy developer, who's last monstrosity is a hideously famous failure, to tear out blocks of Hollywood and displace more low-income residents onto the streets for no reason other than their Garcetti-loving greed. Someone in our city government must come to their senses and find a shred of integrity to stop this runaway development which does not benefit anyone but the developers while ruining the neighborhood it rapes in order to be built.

Please, God, stop the insanity. Use your time doing things that benefit the people who actually LIVE HERE. Act like you take pride in Los Angeles and give a damn about it's well-being.

Thank you,
Diane Weiss
